PRESIDENT MUSEVINI'S ANKOLE SUB-REGION PDM TOUR

sembling the map of Africa. The area also encompasses parts of Queen Elizabeth National Park, rich with diverse wildlife such as elephants and tree-climbing lions.

PDM Evaluation in Ibanda: On February 25, 2025, the President visited Ibanda District to assess the impact and implementation of the PDM. This visit underscores the government's commitment to monitoring and ensuring the effectiveness of development initiatives at the grassroots level.

Addressing Misuse of Funds: In a recent rally during his three-day PDM assessment tour in Ankole, President Museveni issued a stern warning against the misuse of PDM funds. He emphasized that individuals who divert these funds, especially for non-

- President Yoweri Kaguta Museveni has been actively touring the Ankole sub-region in Western Uganda as part of his ongoing assessment of the Parish Development Model (PDM). This initiative aims to transform subsistence households into income-generating entities, thereby reducing poverty across the nation.

• Tour Highlights:

- **Natural Beauty Appreciation:** During his visit to Rubirizi and Bushenyi districts, President Museveni not only focused on

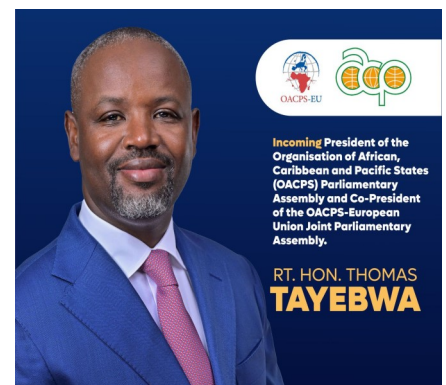

wealth creation but also took time to admire the region's stunning landscapes. Rubirizi District, for instance, boasts over 50 crater lakes, including the renowned Lake Nkugute, often described as re-

• Rt.Hon. Thomas Tayebwa as the New President of the Organisation of African, Caribbean, and Pacific States

- Uganda's Deputy Speaker of Parliament, Thomas Tayebwa, has been elected as the President of the Organisation of African, Caribbean, and Pacific States (OACPS) Parliamentary Assembly and Co-President of the OACPS-European Union Joint Parliamentary Assembly. His elec-

tion, which took place on February 25, 2025, is set for a two-year term.

Tayebwa expressed that his election reflects confidence not only in Uganda's parliament but also in the government and the nation as a whole. *Story by DEO*

Mbarara Archdiocese Celebrates joyful ordination of new 6 priests

The Mbarara Archdiocese witnessed a momentous occasion today as six devoted

individuals were ordained as priests. The joyous ceremony took place at the Archdiocesan Cathedral (St. Augustine cathedral church) with His Grace Archbishop Lambert Bainomugisha serving as the main celebrant.

In his homily, Archbishop Bainomugisha emphasized the significance of priestly ministry in today's world. "As priests, you are called to be shepherds of the flock, guiding and serving the people of God with compassion, wisdom, and courage," he said. "May you be filled with

the Holy Spirit, that you may bring joy, hope, and healing to all those you serve."

The newly ordained priests are: Rev. Fr. Katusiime Selenzio OFM, Rev. Fr. Ngahamire Ambrose OFM, Rev. Fr. Nuwahereza Sabastian OFM, Rev. Fr. Mubangizi Henry OFM, Rev. Fr. Amanyanya Lawrence SSS, Rev. Fr. Namanya M. Justus M.Afr.

The newly ordained priests expressed their heartfelt gratitude and humility at being called to serve the Lord and His people.

The occasion was graced by distinguished guests, including the Mbarara City Member of Parliament, Mr. Gervase Ndyanabo, President of the Uganda National Catholic Council for Lay Apostolate (UNCCLA), and his committee, among other notable figures.

The ordination ceremony was attended by a large congregation of clergy, reli-

gious, and lay faithful from across the archdiocese. The newly ordained priests were presented with the symbols of their office and welcomed into the presbyterate with applause and tears of joy.

As the Mbarara Archdiocese celebrates this joyful occasion, it serves as a reminder of the importance of vocations to the priesthood and the vital role that priests play in the life of the Church.

Muranga-Kenya

The Consolata Missionaries in Kenya and Uganda recently celebrated a big milestone. They have been serving in Kenya for 100 years!

To mark this special occasion, they held a big ceremony at Tuthu Parish in Muranga. This parish is very important to the missionaries because it's where they first started their work in Kenya in 1902.

Bishop Emeritus Virgilio Pante and Fr. Zack Kareoke

led the ceremony. Bishop Peter Makau gave a speech, thanking the brave missionaries who came to Kenya 100 years ago. They worked very hard to spread the message of Christianity.

Bishop Makau also thanked the Italian missionaries who have continued to serve in Kenya. He especially mentioned Bishop Emeritus, Fr. Birambira, and Sr. Josephine.

The Consolata Missionaries have a long history in Kenya.

Consolata missionaries Launch 100years celebrations in Kenya

They were started by Blessed Joseph Allamano in 1901. Their main goal is to spread Christianity in Kenya world a better place. Missionaries will keep doing their good work.

Mama Janet commissioned a milk processing plant in Kiruhura

Maama Janet and President Yoweri K. Museveni commissioned a milk processing plant in Kiruhura District on our way to Rwampara. This facility owned by Benni Foods Limited is very welcome

They are in the right place at the right time, and have made a good decision. The global demand for milk is significant. We will ensure they receive a consistent electricity supply by providing a dedicated line

On the other hand, Farmers in the area should grow grass to feed their cows, which positively impacts milk production.
